

GESTAUTOR - CREATING A LOCAL ADMINISTRATOR (LOCAL ADMIN)

Every organisation wishing to submit applications or being an authorisation or registration holder needs a "local admin" account. This account will be created by the Risk Management Section upon receipt of this completed form.

!!! Before sending this form to the Section, the user (who must become "local admin") must register on the following website:

<https://apps.health.belgium.be/gestautor-frontoffice/>.

For more information regarding the registration and responsibilities of the "local admin", please refer to the manual available on the website <https://apps.health.belgium.be/gestautor-frontoffice/>.
