IV. Other relevant information

1 Please provide any other relevant information related to the implementation or enforcement of the EUTR that may not have been fully captured elsewhere in the national report:

No other relevant information

2 Please provide any suggestions you may have that could improve the implementation and/or enforcement of the EUTR :

It's recommended to continue current efforts to achieve a uniform EUTR implementation. In addition, the EUTR legislation itself should be evaluated and adjusted, as the current legislation remains vague, in particular the concept of diligence, and creates uncertainty for both operators and competent authorities. Moreover, it complicates uniform implementation at EU level.
